

## UV LAMP SPECIFICATION FORM

1. Most lamps have a part number stamped on them. Simply supply us with that number and we will match your lamp to the one we have in inventory, or have it made to your specifications.

LAMP PART NUMBER: \_\_\_\_\_

2. If you are unable to locate the part number, or the part number is not familiar to us, provide us with as much of the following information and we will be able to locate or custom make your replacement.

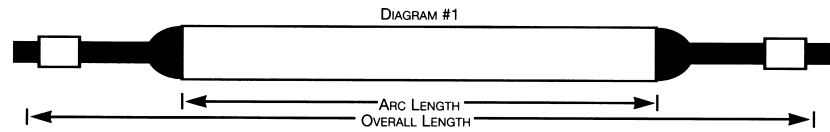

Equip. Make & Model \_\_\_\_\_ Overall Length: \_\_\_\_\_

Arc Length \_\_\_\_\_ Outside Diameter \_\_\_\_\_

Lead Length \_\_\_\_\_ Watts per inch/cm \_\_\_\_\_

Endcap (see photo below) \_\_\_\_\_ Wire connector type \_\_\_\_\_

Ozone Free (Circle One):    YES        NO

3. Sometimes it is necessary for you to provide a sample of the lamp in question. Under these conditions, please accompany it with this form and we will match it exactly.

Company Name: \_\_\_\_\_ Contact: \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

E-Mail: \_\_\_\_\_
