

UV Lamp Warranty Claim Form

This UV Lamp is manufactured to exacting standards and will give 1000 hours of useful life under normal conditions. In the unlikely event of failure after less than 100 hours, 100% credit will be given. If failure occurs between 100-1000 hours, credit will be prorated based on the number of hours in use. (ie failure after 500 hours would result in a 50% credit.

Please complete this form and return it with the lamp in question. Failure to do so may result in the claim not being accepted.
